General information

Category: multitrack

Integrated light source

In all MULTITRACK systems, luminaires can be connected to two circuits using two power supplies (except plug-in power supplies, which power only one circuit). To operate luminaires on two circuits, the ordered luminaires must be divided, and the appropriate control options selected: ON/OFF and ON/OFF - second circuit.

Adapter standard colours: white luminaire - white adapter, black luminaire - black adapter. Luminaire is compatible only with high multitrack system.

LED lifetime: L90B10 for 60 000h

Warranty:

The high multitrack system is available in the following version: recessed and surface
