We would like to inform you that in accordance with the Waste Act of 10 August 2023 (Journal of Laws 2023.1587, as amended), AQUAFORM INCORPORATED Sp. z o.o. is registered in the database of products and packaging and waste management as an entity, among others, introducing and collecting electrical and electronic equipment under registration number 000006120.

In accordance with the provisions of the Act of 15 April 2024 on waste electrical and electronic equipment (Journal of Laws 2024.573, as amended) and the resulting obligations of the introducer and seller of electrical and electronic equipment, AQUAFORM INCORPORATED Sp. z o.o. hereby provides information on the disclosure of waste management costs (KGO) of used equipment.

As stipulated by the Act on Waste Electrical and Electronic Equipment, waste management costs are included in the product descriptions for groups placed on the market.

The costs of waste management are comprised of the following elements:

- the actual costs of collection, treatment, recycling or other recovery processes other than recycling, and

- disposal of used equipment. These costs are included in the overall price and are calculated in PLN/kg of equipment. Please be advised that AQUAFORM INCORPORATED Sp. z o.o. has fulfilled its statutory obligation, and as a result, there will be no change in product prices (KGO included in the price of the goods).

Please find below a list of waste management costs:

Group no.	Group Name	KGO cost (PLN)
IV.	Large equipment, any of whose external dimensions exceed 50 cm – applies to household equipment.	0,46
	Large equipment, any of whose external dimensions exceed 50 cm – applies to B2B equipment.	0,46
V.	Small equipment, none of whose external dimensions exceed 50 cm – applies to household equipment.	0,46
	Small equipment, none of whose external dimensions exceed 50 cm – applies to B2B equipment.	0,46
