

## Algemene informatie

Categorie: multitrack

Geïntegreerde lichtbron

In all MULTITRACK systems, luminaires can be connected to two circuits using two power supplies (except plug-in power supplies, which power only one circuit). To operate luminaires on two circuits, the ordered luminaires must be divided, and the appropriate control options selected: ON/OFF and ON/OFF - second circuit.

The Quick Shipment offer includes selected product variants marked with the "QS" symbol next to the catalogue number. Adapter standard colours: white luminaire - white adapter, black luminaire - black adapter. The luminaire is compatible with the systems: multitrack and high multitrack
